The Florida Bar File No. 2009-50,626(17E)

Dear Mr. Thompson:

This is to advise you that your complaint against the above-referenced attorney was considered by Seventeenth Judicial Circuit Grievance Committee "E". This consideration followed an investigation conducted by the Bar, and was based on a diligent and impartial review of all of the information available. The grievance committee, which is composed of lawyer and non-lawyer members, unanimously found no probable cause at this time to believe that the respondent is guilty of misconduct justifying disciplinary action.

As the committee review of this file presented no other basis for ethical inquiry, it has dismissed your complaint and directed that your file be closed. Thank you for your efforts in presenting this matter to The Florida Bar and for your understanding of our decision to close this investigation.

This complaint will be purged from the discipline records and the file destroyed one year from the date of the grievance committee action.

Sincerely,

Lorna E. Brown-Burton, Chair
Seventeenth Judicial Circuit
Grievance Committee "E"
